Quarterly Newsletter

Issue 20 : September 2009

HAVE YOU EVER THOUGHT ABOUT BECOMING A TOWN COUNCILLOR ?

There is a vacant seat which will be filled by co-option at the Town Council Meeting on Monday 28th September 2009.

If you would be interested in serving the Town as a member of the Council, please express your interest in writing, together with a short resume/pen picture about yourself, and why you are interested in becoming a member.

Applications need to be posted/delivered to the Town Council Office no later than 5pm on Thursday 17th September 2009.

LITTER IN THE RIVER

It is recognized that there has once again been an atrocious quantity of litter floating on the river throughout the summer months and this does nothing to enhance the appearance of the Town; therefore representatives of the Town Council, the Environment Agency and North Lincolnshire Council will be meeting in September in order to discuss the issue and how it can be resolved.

As with all matters of this nature, limited budgetary provision and Health and Safety Issues are factors which have to be considered – but it is intended that a solution will be found.

When considering the cost implications, the cheapest and most obvious solution is for the litter not to be generated in the first place – so :

**PLEASE DISPOSE OF YOUR

3B'S STREET PROJECT

Wayne, Alex and Matt of the 3B's Team are out in Brigg on Thursday evenings and every third Friday working with any young people who are out on the streets - take a look at 3B's MySpace to find out what they have planned – or send them a message to tell them what kind of activities you would like them to organise. Use the link on www.briggmarkettown.co.uk to access the site.

The Town Council is delighted that the project has recently been successful in securing a further £10,000 of funding through the Children's Workforce Development Council, having been selected as one of seven successful projects throughout the country to participate in the third year of its SHARE programme.

This money will be set aside in order to assist with the cost of sustaining the project beyond the initial three year funding secured from the Big Lottery,

The fun will start at 5pm when the Panto Stars from the "Dick Whittington" production at the Plowright Theatre will be on stage in the Market Place before switching on the lights with the Town Mayor and Consort.

On Street Parking

The Town Council has requested a meeting with North Lincolnshire Council to discuss the thorny issue of on street parking and the effect it has on those residents who live in areas where off street parking is limited, leaving them with no alternative but to park on the public highway.

The Town Council is aware of the problems of those residents who live in and around Queen Street but, equally, there are areas outside of the Town Centre where residents are also suffering due to on street parking.

It is, therefore, the intention that a satisfactory solution should be sought for the benefit of all residents affected by this problem.
